## Bowl for Kids' Sake

### 4 Easy Steps to Filling a Lane

- 1. Recruit a Team.** Round up a team of five co-workers, clients, family or friends. One team member needs to be designated as the Team Captain. It doesn't matter if you're a Kingpin or if it's your first time – it's all about the kids you are bowling to raise money for.
- 2. Register Your Team.** Have your Team Captain register your team for Bowl for Kids' Sake online at [www.active.com/donate/bowlforkidssake07](http://www.active.com/donate/bowlforkidssake07).

*Note:* The Team Captain's contact information will hold your preferred bowling date, but complete information on all other team members MUST be received 10 days prior to the bowling date, or the reserved lane may be sold to another team.

- 3. Raise Money.** Each team member is asked to obtain at least \$125 in donations (for a total of \$625 per team). In 2006, teams averaged \$875 per lane. You can now receive donations and recruit team members and other teams online.

Go to [www.active.com/donate/bowlforkidssake07](http://www.active.com/donate/bowlforkidssake07) to join your team and begin receiving donations online. A donation form can be printed from the website to keep track of all of your donations. All donations are due at the bowling alley the day of the event.

All donations are tax deductible, and all donations over \$500 are eligible for the Colorado Child Care Credit – a 50% state tax credit.

**All checks collected should be made payable to Bowl for Kids Sake.**

- 4. Bowl for Kids' Sake!** Team members must have all of their donations collected prior to your team's bowling date. Once you've checked in, it's time to have FUN! You'll receive two free games of bowling with shoe/ball rental, a Bowl for Kids' Sake shirt, food and beverages, chances at door prizes, and more.

**Questions?** Contact us if you have any questions.
