ABOUT BIG BROTHERS BIG SISTERS OF COLORADO

Since 1918, Big Brothers Big Sisters of Colorado (BBBSC) has operated under the belief that inherent in every child is incredible potential. As part of the nation's largest donor- and volunteer-supported mentoring network, Big Brothers Big Sisters of Colorado makes meaningful, monitored matches between adult volunteers ("Bigs") and children ("Littles"), ages nine through young adulthood in Colorado. We develop positive relationships that have a direct and lasting effect on the lives of young people.

BBBSC serves youth through a portfolio of mentoring programs.

- **Community-based** is a traditional mentoring program. Mentee/mentor matches determine activities of mutual interest and meet two to four times per month.
- **Sports Buddies** is an innovative mentoring program started by BBBSC in 2000. Mentee/mentor matches meet one to two times per month for sports-based activities that are planned, scheduled, and overseen by BBBSC staff.
- **Mentor Plus Programs** go beyond the traditional one-to-one, adult-to-child mentoring model by providing programs focused on peer mentoring, group mentoring, and college and career readiness. With BBBSC's professional support, matches develop authentic relationships that help youth achieve success now (both in and out of school) and long into the future (post-secondary education and the workforce).
