

STARS National Conference Sponsorship Opportunities

Saturday, July 20 - Monday, July 22 | Career Expo: Sunday, July 21 | Colorado School of Mines

The BBBSC STARS National Conference is an action packed event that brings teens together.

Participants get the opportunity to live as a college student on campus and participate in workshops, group discussions, a block party, and a career fair. The conference is an opportunity for teens to build positive relationships and find their place within the mentoring movement.
